

## GUIDED NATURE WALK IN ULVIK

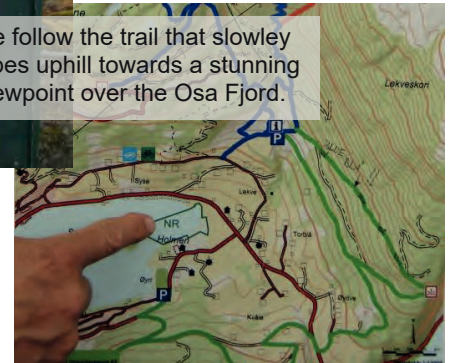

1 Book this activity at the B-Active Center (Situating inside the Strand Fjordhotel)

2 The guided walk will start from a designated location in Ulvik. We will explain where this starting point is. When you book the activity, and when the guide will meet you there.

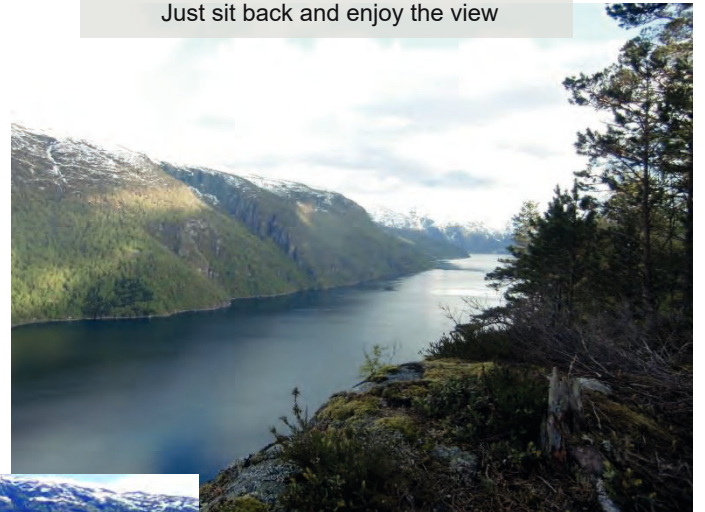

We follow the trail that slowly slopes uphill towards a stunning viewpoint over the Osa Fjord.

3 Along the trail we make a few stops to enjoy the view, talk about local history and culture, bush craft skills, edible plants, and so on..

4 Once we reach the viewpoint on the Osa fjord, the guide will have a surprise for you. Just sit back and enjoy the view

5 After a short break we descent back to the starting point of the guided walk.
