

FISHING INITIATION WORKSHOP

Book this workshop at the B-Active center
(Situated inside the Strand Fjordhotel)

The fishing initiation course can take place in Ulvik or Osa

The fishing initiation workshop includes theory and practice. You will learn about different types of sweet and salt water fish, the bait they like, fish behaviour, right times to fish, equipment and many more things

The instructor will provide you with all the equipment you need for the course

Time to get in action. Let's catch some fish for dinner!

We can even prepare your fresh caught fish in the hotel!

Nice catch!
