

**FLINT KNAPPING WORKSHOP**

**1** Book this workshop at the B-Active center (Situating inside the Strand Fjordhotel)

Flint knapping is a prehistorical skill that has saved lives and made practical work possible. Learn which tools were used and how

**3**

An experienced instructor will explain what flint knapping is and how it's done

**2**

In a 2-hour workshop we teach you the basics of flint knapping

Make yourself a unique souvenir!

The things you can make out of flint are endless! When you learn how to work flint, you can start using your imagination and make your own piece of art! But don't worry...this skill takes years to master
