

ORIENTATION & NAVIGATION WORKSHOP

Book this workshop at the B-Active center
(Situated inside the Strand Fjordhotel)

In Norway it's easy to lose your way. In this day-long course you will learn the basics of orientation (where you are) and navigation (where you are going) from an experienced guide

From the kafeen in Osa, a guide will take you in the northern valley of Osa. A unique unspoiled natural environment to..

..use nature to find your way

..learn what information you can get and use from a map

..learn how to use a compass
(it does not only point north)

..navigate by the stars

After today you can be sure where you are and where you are heading!
